Congressman John Shimkus, U.S. Representative of the 19th District of Illinois, visited Hamilton County Telephone Co-op recently to discuss telecom and broadband issues. Jeff Williams attended this meeting and they discussed what the cooperatives are doing in connecting the most economically and geographically demanding rural areas of our country with the world. Our rural based Illinois Telephone cooperatives are dedicated to meeting member's needs and improving the quality of life in our rural service areas by providing access to broadband and other advanced communication services and infrastructure.
