**Note:** One-time contributions are also welcome.  
Please send to:  
**Universal Telephone Assistance Corporation**

Your contribution to the Universal Telephone Corporation is deductible on your income taxes to the extent allowed by law. Consult your tax advisor to determine how this applies to you.

Many of these are families with young children, who simply can't afford it. You can help struggling families be connected to emergency help, employers, schools and relatives by contributing to the Universal Telephone Assistance Corporation (UTAC).

The UTAC Lifeline and Link-Up programs help low-income individuals and households, including the elderly and persons with disabilities, acquire local phone service and get a discount on their monthly phone bills.

It's easy to contribute. Simply fill out the form above and indicate the amount you would like to give each month, 50 cents, \$1, \$2 or as much as \$5. That amount can be paid with your monthly telephone bill. Your contribution will be supplemented by federal funds to help provide phone service for individuals and families who could not otherwise afford them.
